

## SCOPE

This Quality Manual applies to the Wren Enterprises Inc.'s facility located at 11591 North Dixie Drive, Tipp City, Ohio 45371. This Quality Manual is Wren Enterprises Inc.'s top-level document in its ISO 9001:2000 based QMS.

Wren Enterprises Inc. provides products and services according to established written procedures complying with ISO 9001:2000 requirements; as well as government, regulatory and Registration Body authorities, where applicable; and/or to specific customer contract requirements. Where conflicts exist, customer contract requirements will prevail.

Wren Enterprises Inc.'s core business is assembly and packaging, therefore Wren Enterprises Inc. offers no design or development services and can take an exclusion of the ISO 9001:2000 Design & Development Element, 7.3, of the international standard.
